BEVERLY HILLS

A CAR-LOVER'S HEAVEN

If you live, work, or play in Beverly Hills, you'll notice that the entire city of Beverly Hills is one giant car museum. Everyday, you'll see beautiful, fancy, shinny, expensive, and noisy cars roaming and/or parked on the streets of Beverly Hills.

In the next few pages of this 16th edition of this beautiful ROGEE BEVERLY HILLS MAGAZINE, I show you a few cars that I came across recently.

Enjoy!
